Shaping Future Leaders

FINTECH

MANAGEMENT DEVELOPMENT PROGRAMME

ON

UNDERSTANDING FINTECH

FEBRUARY 7TH & 8TH, 2020

**XAVIER INSTITUTE OF MANAGEMENT & ENTREPRENEURSHIP,
Bangalore**

Program Overview

The FinTech industry uses technology to disrupt the traditional world of financial services in the areas of lending, trading, funding and payments. Gartner predicts that by 2030 a lot of the current Banking models will be irrelevant and Fintech will take over these services. In India it is growing at a break-neck speed and innovative technology is powering improved customer service, lower costs and rapid scaling.

This program will deliver an insight into the drivers of Fintech. It will be useful for professionals in Banking, Consulting, Financial Services, Insurance, Management, and Technology, who would like to understand this revolution or initiate steps towards enablement in their organization or want to start their own.

Objectives

- Build an understanding of the emerging area of Fintech
- Acquire knowledge of technology drivers of Fintech
- Understand the disruption through use cases in the BFSI Industry
- Understand the evolving regulatory framework
- Manage and implement a Fintech Project

Modules

- Foundations of Fintech
- The Current Fintech Landscape
- Economics, Financial aspects and Technology currently leveraged by Fintech Companies
- Use Cases - Fintech disruptions in Banking, Financial Services and Insurance
- Regulatory Framework
- Managing and implementing a Fintech Project

Who will Benefit

Mid- Senior Managers from Banking, Finance and Insurance Industry
